

# 2023 - 2024 ANNUAL REPORT

# FROM THE PRESIDENT

## HANNAH FUNK

2023-2024 President

As we close the chapter on our 100th league year, I find myself reflecting on how much has changed since that November day in 1923, when a group of women gathered at the Lancaster YWCA to establish the Junior League of Lancaster. The world today is almost unrecognizable compared to a century ago, yet one thing remains constant—our League's unwavering commitment to **fearless** leadership and community impact.

Over the past 100 years, we have witnessed transformative shifts in society, technology, and culture. We've grown through the **eras** of history, evolving and adapting to meet the challenges of each decade. The women of the Junior League of Lancaster have always been **ready for it**, embracing the hard work of change with grace and determination.

Throughout this landmark year, we have undertaken numerous initiatives that reflect our commitment to leadership development and the Lancaster community. From impactful volunteer projects to innovative training sessions, we have equipped our members with the skills and knowledge needed to lead with **timeless** passion and purpose.

# FROM THE PRESIDENT

*Continued...*

As we enter the next 100 years, we must keep in mind that growth is only possible when we **shake it off**—the fear, the doubt, and the limitations. Change is not only inevitable, but necessary for our League's continued success. Our commitment to growth, individually and within our community, will carry us through, just as it has for the past century.

Thank you to our members, both active and sustaining, for your dedication and passion. To our partners, donors, and friends, thank you for walking beside us on this **enchanted** journey. Together, we are prepared to continue the work that was started so long ago, ensuring that the Junior League of Lancaster remains a pillar of leadership and service for generations to come.

To echo the words of Laura Louise Watt, the first President of the Junior League of Lancaster, in her annual report: "we feel that we have accomplished something although there is lots more we might have done, however we are gaining experience every day and are looking forward with high hopes."

Yours in Service,

*Hannah*

# ABOUT THE JUNIOR LEAGUE

## OUR MISSION

The Junior League of Lancaster (JLL) is an organization of women whose mission is to advance women's leadership for meaningful community impact through volunteer action, collaboration, and training. Its purpose is exclusively educational and charitable.

## OUR HISTORY

On November 13, 1923, the Junior League of Lancaster held its first meeting at the YWCA in Lancaster City. Fifty-five young women were in attendance, and Laura Watt, temporary chairman, was elected the first president.

Today, the JLL continues the commitment that began over 100 years ago — connecting and supporting women of all races, religions, and national origins who demonstrate a commitment to voluntarism.

Our efforts support community-based partnerships that work to broaden the educational, culture, recreational, and health opportunities available to women and children within the Lancaster community.

President James Buchanan's Wheatland was acquired by the JLL in 1936 to be preserved for public education and enjoyment as a National Historic Landmark. Today, JLL Headquarters is located in the Carriage House on Wheatland grounds, all of which is maintained by LancasterHistory.

## FUNDRAISING EVENTS

The Fund Development committee is proud to report that the Junior League of Lancaster had several successful Fund Development events throughout the 2023-2024 league year, including events with Boombox, Lancaster Cupcake, and Rada Cutlery. We also continued our participation in the Extraordinary Give, during which we were able to raise \$10,339.90! We also had a great year of giving from our Cornerstones sponsors who were excited to help us celebrate 100 years of The Junior League. They contributed \$16,000 for the 2023-2024 year!

In addition to our Cornerstone sponsor contributions the JLL raised approximately \$27,000 through fundraising events and charitable giving, which includes \$5,659.72 raised during the 2023 Cornhole Classic, \$10,339.90 raised during the ExtraGive event, and \$10,836.72 raised during the 19th Annual Run4Luck.

*Thank  
you!*

## CORNERSTONE SPONSORS

Through Cornerstone Sponsors, the Junior League of Lancaster partners with organizations that align to our mission and tangible community impact. The League was supported by one Diamond level, one Platinum level, and 3 Gold level sponsors during the league year.

- Albright & Thiry Orthodontics \$5,000
- Trout CPA \$3,500
- Lancaster Country Day School \$2,500
- HARTZ Physical Therapy \$2,500
- Eurofins Lancaster Laboratories \$2,500

## FUND EVENTS

In addition to our record-breaking ExtraGive event, we hosted several other fundraising initiatives throughout the year. These included the BloomBox Holiday sale in November and December 2023, a Valentine's Day Cupcake sale in February 2024 with Lancaster Cupcake, and a Rada Cutlery sale from March through April 2024.

Proceeds from these events supported the Community Impact Committee's range of activities focused on improving nutrition accessibility, unless otherwise designated by donors. The Fund Development Committee takes pride in organizing events that fuel the impactful work of the Community Impact Committee.

# 2023 CORNHOLE CLASSIC

## THE CORNHOLE CLASSIC CONTINUES!

The Junior League of Lancaster's 2nd Annual Cornhole Classic was a fantastic day filled with fun, competition, and community spirit! Teams of two faced off in an exciting and friendly cornhole tournament, showcasing their skills and competing for the top prize. Attendees of all ages enjoyed a range of activities, including games, face painting, and more. Delicious food and refreshing beverages were available for purchase, keeping everyone energized and hydrated throughout the day. Tournament winners walked away with exciting prizes, and many lucky attendees won raffle draws. Spectators enjoyed the event, contributing to a vibrant and supportive atmosphere.

The event successfully raised funds to benefit the Junior League of Lancaster's ongoing community projects and initiatives. A huge thank you to everyone who participated, volunteered, and supported the JLL Cornhole Classic. Your involvement made this event a memorable success, and we are grateful for your continued support.

# RUN4LUCK

## THE 19TH ANNUAL RUN4LUCK

The Run4Luck committee hosted an incredible event on March 9, 2024! Rain or shine, the community showed up in full support, decked out in shamrocks and green for the 4-mile run, 2-mile walk, and kids' fun run.

The day kicked off with a pre-race stretch led by Orthopedic Associates of Lancaster, one of our Leprechaun-level sponsors. We're grateful to all our sponsors across the Leprechaun, Magical, Lucky, and Shamrock levels for their generosity. This 19th Annual Run4Luck brought fun, fitness, and a few special Leprechaun Leaguers into the mix. A heartfelt thank you to all the League members, sponsors, and participants who made this event a success!

## NEW MEMBERS IMPACT NUTRITION ACCESSIBILITY

During the 2023-2024 League year, the Junior League of Lancaster welcomed 14 new members, known as Provisional Members. To achieve Active status, each class was tasked with planning and executing a Provisional Member Project that supports the Lancaster community and aligns with our focus on nutrition accessibility. Under the guidance of the Membership Development Committee and League peers, these projects included:

The Fall Provisional Class partnered with the Lancaster Public Library to fund and stock a snack cart in the Teen and Young Adult section, providing healthy snacks for teens who visit the library after school. This thoughtful initiative helps bridge the gap from lunchtime until students can eat at home. Working with the library, the provisionals researched snack options and identified effective ways to keep the cart stocked. At the September 2023 General Membership Meeting, they raised \$339 through a “pass the hat” donation effort. The cart has been operating since October 2023 and is a hit with library visitors.

Fall 2023 new members: Chrissie Gore, Sarah Harvey, Leslie Kramm, Allie Shoffner, Jessica Timblin

## NEW MEMBERS IMPACT NUTRITION ACCESSIBILITY

The Spring Provisional Class continued the work of the Fall Class, focusing on creating a sustainable plan for the Lancaster Public Library snack cart. Collaborating closely with the Fall team, they developed a sustainability package that included marketing materials outlining various sponsorship levels, social media posts, an Amazon wishlist, and a sample donation letter to help secure ongoing support. The Junior League of Lancaster contributed \$1,000 to jumpstart the project, which the Provisionals presented to the library alongside their sustainability plan. They also shared their project with both the Junior League of Lancaster Board and the Sustainer Committee.

Spring 2024 new members: Brea Cox, Maranda Moyer, Dani Ober, Madi Rice, Janet Tall, Julie Whitney, Tory Woods, Ellen Zeswitz

Shannon Schinagl, Early Literacy Coordinator at the library, shared a touching story of a teen who relies on the snack cart for regular nourishment:

“I know the teens love having snacks, but this encounter showed me that this simple and generous snack cart is actually keeping some young adults fed and full when they don’t have access to food. What a true gift it is.”

# COMMUNITY IMPACT

Since 2022, our trained legion of JLL volunteers embarked on several collaboratives, creative projects, and long-term programming endeavors within our JLL focus area, all rooted with the intention of creating measurable reform within Lancaster County to combat the social, economic, and health implications of food and nutrition accessibility within our geographic imprint. During the 2023-2024 League year, JLL volunteers facilitated a number of impactful projects, focusing on 5 key priorities:

## Direct Service

- Deployed committed volunteers to organize, sort, and box non-perishable goods and nutrient-dense recipes for children and families who receive weekend meals from Power Packs Project.
- Joined the Central Market in their after-market program initiative, ensuring they can scale up to meet the needs of food bank utilizers. After market closes for the day, Stand-holders offer free goods expiring before the next Market Day. The program is designed to ensure nutritious food ends up on local tables rather than go to waste.
- Served a free, nutritious meal to all members at Arch Street Center.
- Served a free, hot nutritious meal at Boys & Girls Club, followed by a facilitated art activity focusing on female leadership.
- Assisted in packing Holiday Meal boxes with Lancaster Project for the Needy.

# COMMUNITY IMPACT *Continued...*

## Collaborative Efforts

- Hosted a collaborative volunteer day at the York County Food Bank, alongside York Junior League. This provided an opportunity for fellowship and learning opportunities amongst leagues. Members packed 1,000 food boxes to support Seniors in the community.
- Continued a two-phase community co-op program with the Boys & Girls Club of Lancaster that entails the clean-up and planting of a community garden behind the Jack Walker Clubhouse in downtown Lancaster that will harvest locally grown, free produce for members, employees, and nearby residents. BGC members will also be treated to experiential STEM-oriented programming opportunities, as well as educational life skills involving health and wellness.
- Worked with YWCA Lancaster to support another woman-led organization by volunteering our time at their race packet pick-up for the annual Race Against Racism.
- Assisted Edible Classroom in volunteering at their first Community Outreach event for students of School District of Lancaster. JLL helped run family-friendly activities, put together raised beds and other supplies, and assisted in creating gardening kits for families to take home.

## Donations/Drives

- Led a yearlong member-wide grocery card collection, to help provide free produce to communities that need it most. Raised \$500 in gift cards to support the initiative.
- Embarked on a new member project, partnering with the Lancaster Public Library, creating a teen food pantry, stocked with healthy snacks and toiletries. New members created a long-term plan in collaboration with the community impact committee, ensuring the pantry would be restocked on an ongoing basis.
- Led a donation drive to support high-need pantry staples at the Lancaster County Food Hub. Over 200 pantry items were donated.
- Led a donation drive to support hygiene, shelter, and personal care items for Winter Shelter utilizers. Over 160 pounds of items donated.

# COMMUNITY IMPACT *Continued...*

## New Initiatives

- Improved nutrition for the most vulnerable populations by introducing free pop-up markets that will offer immediate access to fresh fruits and vegetables to neighborhoods. Launched in Summer 2023, we hosted 5 pop-up markets, giving out more than 800 items of fresh fruits and vegetables. (Locations: Boys & Girls Club, Open Streets Lancaster, Lancaster Science Factory, Crispus Attucks Community Center, West End Art, Lancaster Public Library, Run for Luck)
- Secured a grant from Aetna Health, ensuring sustainable long-term support of the free pop-up produce initiative.
- Assisted in food waste elimination- Following daily support of the Central Market Program, members assisted with hand distributing remaining items to nearby nonprofits and businesses in need of fresh produce.

## Community Gifts

- Provided the Central Market with 2, 6-foot tables and storage containers, ensuring they have the capability and ease to display fresh produce in an eye-pleasing and accessible way.
- Granted \$500 to assist with a translation stand for non-english speaking food bank utilizers at Crispus Attucks Community Center.
- Granted \$1,000 to Lancaster Public Library to encourage sustainability of teen pantry program that Junior League kicked off.

## Training

- Developed a subcommittee, focused on ongoing education and resource sharing.
- Joined the Hunger-Free Coalition as steering member.
- Welcomed Central PA Food Bank to our February GMM, educating our members on food accessibility in Lancaster County.
- To learn more information about the JLL's current focus area of nutrition accessibility, the work we're surveying and conducting to break the cycle of inequitable food access, or to explore and discuss a potential community partnership with the organization to eradicate hunger in Lancaster, please contact the Community Impact VP.

# GRANTS & AWARDS

## 2024 DEBORAH P. ALTMAN OUTSTANDING YOUTH VOLUNTEER AWARD

Since 1984, the Junior League of Lancaster has awarded the Deborah P. Altman Outstanding Youth Volunteer Award annually to recognize young people for their exceptional commitment to voluntarism. Named after former president, the late Deborah P. Altman, this prestigious award has distributed nearly \$53,900.00 to outstanding youth in Lancaster County.

The 2024 recipient is Eloise Taylor, a graduating senior from Garden Spot High School. As founder and president of the Junior Friends of the ELANCO Library, she organizes community book sales and raises essential funds. Eloise also serves as class president and co-president of the National Honor Society, where she initiated Cinderella's Closet for prom attire and drives for essential student items. Additionally, she tutors students for the SAT and plans to major in Political Science at a four-year college.

Eloise received a \$1,500.00 scholarship and has designated a \$300.00 donation to the ELANCO Library.

# SPONSORSHIPS & COMMUNITY PARTNERS

## CORNERSTONE SPONSORS

The Junior League of Lancaster partners with organizations that wish to align with the League's mission and tangible community impact.

Each League year, our Fund Development Committee invites organizations to partner with our League as Cornerstone Sponsors and experience unique benefits, including, but not limited to, speaking at and/or hosting us at a General Membership Meeting (GMM), sending dedicated e-newsletters to our membership, and complimentary memberships for their employees.

The Junior League of Lancaster could not be effectively run without critical funding from our Cornerstone Sponsors and their belief in our mission to advance women's leadership for meaningful community impact through volunteer action, collaboration, and training.

We sincerely thank our 2023-2024 Cornerstone Sponsors for their generous support.

# SUSTAINERS

As we embarked on our 2023-2024 Junior League of Lancaster year, our Centennial Celebration, we could feel that not only would we celebrate all of our former projects, the committed members of our League through the last 100 years, but also the work we continue to do in our community. With our focus area of Nutrition and Food Accessibility, our League continues moving forward in support of our community!

With Noelle Fassnacht, Sustainer, and Leslie McCarthy, Active, as Co-Chairs of the 100th Anniversary Committee, the various committee members were in full planning mode as we moved into 2023-2024. Whether it was planning a Rock Ford event, deciding on fundraising endeavors, or arranging our Gala, just to name a few, the committee was in full swing for a year of events with something for everyone.

In September 2024 the JLL Sustainer leadership met and set the course for the upcoming Centennial year activities. Many members had already met in the summer to plan for the year. Our Social Committee Chairs had so many fabulous activities planned including the ever-popular wreath-making event back for another year, a Prima Theatre excursion, a pickleball social and much more!

In October we had the Annual Sustainer Fall Luncheon at the Lancaster Country Club. We saw many smiling faces, hugs with people we had not seen in a while, and we heard laughter fill the room! This is always a favorite for our Sustainers and it never disappoints! We heard that it may have been the most attended luncheon in years!

Something that was new to our League this year was the IMPACT: The JLL Centennial Podcast. Each month starting in September we had the pleasure of many of our Sustainers, Actives, and community partners sharing their knowledge and expertise about former projects of ours throughout the 100 years. The podcasts were the following: September - Leadership Lancaster, October - Wheatland, November - Demuth Foundation, December - Nutrition and Food Accessibility, January - Hands-On House, February - Lancaster County Community Foundation + Junior League of Lancaster, March - Rock Ford, April - Follies, May - Notable JLL Members. You can access these podcasts by visiting: [Spotify Podcast Link](#) or [Apple Podcast Link](#)

We had such amazing fundraisers this Centennial Year of 2023-2024! It started with the Author's Event and continued on to the 100 for the 100th extraordinary event for Sustainers that was held at the Lancaster Museum of Art. Many people shared that it seemed like a reunion of the best sort! Additionally there were smaller fundraisers throughout the year that were accessed by Sustainers and Actives. As with any of these fabulous events, many of our Sustainers helped in the planning and execution of these events.

We were so fortunate this Centennial Year to have the extraordinary donation of \$30,000 from the Louise Steinman Von Hess Foundation. It took the diligent work and commitment of Karen Heinle to secure this donation. Additionally, Noelle Fassnacht, through her commitment to our League, was able to secure another donation of \$2500 from the Woodstream Foundation. Hats off to our Sustainers, Karen and Noelle!

With the commitment of Bunnie Buckwalter, we were able to have the Actives and Sustainers commit to being a part of the Fig Magazine in its Spring issue named The Rally 'Round Issue. We were able to have a wonderful two page spread in the magazine commemorating our Centennial Year! As the article was named, "Women Building a Better Community!" Thank you, Bunnie, for enabling us to make this happen.

The Sustainer Book Club, helmed by Kathleen McAllen, continued to be a mainstay, providing great conversation and insights into the book selections. Whether it was conversing on *Lessons Of Chemistry* by Bonnie Garmus, *This Side Of Paradise* by F. Scott Fitzgerald or *The Warmth of Other Suns* by Isabel Wilkerson, many of the women knew that they could have engaging conversations with our members.

On Saturday, April 20th, two tour groups, headed by Leslie McCarthy, Active and Pam Hoffmaster, Sustainer, had the pleasure of learning some little-known facts about events and personalities of the Junior League of Lancaster as they walked in downtown Lancaster. In some cases, some of our participants had personal stories to add to the well-researched tour. We must applaud the amazing research of Leslie McCarthy, who has spent an enormous amount of time combing the archives and newspaper articles.

During the downtown tours, we were thrilled to learn the identity of Miss Junior League 1926, who leapt from an airplane over Penn Square to promote the Junior League Follies that year. The front page of the April 11, 1926 newspaper carried her photo and declared "Miss Junior League Lands on Roof But Is Rescued ...the nervy aviatrix had planned to land in Penn Square but it seems she miscalculated a bit, and instead bounced off an apartment house roof on Broad Street, into the arms of Edward Hoover, 33 Broad Street." As her rescuer, Edward Hoover won a box for the opening night of the Follies and also got a guest for that evening- Miss Junior League 1926 herself, a mannequin. What a fun anecdote to hear about our JLL history! After many of us enjoyed the many "history lessons" of the day, many wondered...shouldn't all this information be compiled for a JLL book? We will see what history unfolds!

Each and every one of you, have continued to support our League in so many ways! Whether it be attending a meeting as a liaison to a committee, or attending an event planned by our Social Co-Chairs, you are connected. Whether you are calling another member to check in with them or sharing a smile, you are connected. We are so proud of the mighty Sustainer members, who continue to find that connection with our Junior League of Lancaster membership. We thank you for all you do for our membership and our community!

# SUSTAINERS

As I write this message, I am looking forward to the culmination of our Centennial Year with the Centennial Gala at Fulton Theater. It is going to be a great celebration of all of the events this year and the work and commitment of our sisterhood of Junior League members in the past 100 years! Thank you to all of our members who have planned this exciting Centennial Year.

As we go onward to our next 100 years, let us pause to recognize the women who have come before us, the women who we cherish currently, and the women who will come after us. Leslie McCarthy, Co-Chair of the 100th Anniversary and I have taken the song I wrote and modified it a bit in lyrics and music. It is a true collaboration of Active and Sustainer, as Leslie arranged the song! This collaboration for me is a metaphor for the many collaborations we have done throughout the years among Provisionals, Actives, and Sustainers. Here are the lyrics and you will be hearing the music! Please know that all of you, as members of the League, shine and carry on your light, as you show up in this song for our Centennial Celebration!

With Appreciation,

**Deborah Havert**

**Arranged by Leslie McCarthy**

Time and time again, we reflect on who we are.  
Time and time again, our hopes are in the stars.

But when we need to pause, and honor those who serve,  
We lift our voices strong, and laud those who deserve.

Carry on the light, Carry on the light.  
For those who came in the lead, and those who will proceed.

One hundred years of service to our community  
Leadership of women for a century.

Carry on the light, carry on the light.  
For those who came in the lead, and those who will proceed

We will continue close, with respect for all as goal.  
We will continue close, love is our global role.

Carry on the light, carry on the light,  
We honor the past, and make an impact to last.

Carry on the light, carry on the light!  
For those who came in the lead, and those who will proceed!

Carry on the light, carry on the light,  
Ever striving, serving, leading, May we always be!

DO GOOD.  
BE INSPIRED.  
MAKE FRIENDS.  
BE A LEADER.
